EXPERIENCE

Dashark Services (India Pvt Ltd , Jabalpur Madhya Pradesh)

Feb 2024 - April 2024

Frontend Web Developer Intern

Developed and managed the frontend of the ADM Trading Website, delivering a responsive, intuitive, and visually engaging interface. Designed and implemented key pages including Registration, Login, Wallet, Market, Recharge, Withdrawal, and Signal Group using HTML, CSS, JavaScript and Bootstrap. Updated and refined pages based on feedback from the project manager and backend developers to ensure accuracy, functionality, and seamless performance. Prepared and handed over frontend components and data to backend developers for smooth integration. Ensured consistent user experience across devices and browsers while maintaining visually cohesive layouts and integrating icons and images according to modern UI/UX best practices. Applied optimization techniques to enhance page efficiency and overall user interaction.
